

1. GENERAL INFORMATION

The Person Responsible and the Website Owner (from now on **ALL SPORT EUROPE S.L.**), and so, working as the Person Responsible of the Treatment and conservation of part of the data that can be picked throughout the domain **STREETPRORUNNING.COM**, associated with the legal files registered in the AGPD (Spanish Agency of Data Protection), according to the disposed on the Organic Law 15/1999, 13th December, of Data Protection of Personal Character Data, wants to inform the customer that every data of personal character that s/he provides through the determined web blanks and/or forms will be included to the files, created by the Owner's or Responsible Person's responsibility (for the people who ask for information or decide to subscribe to certain events, services, etc.). Those blanks and/or forms will have the corresponding legal informative clause, where the Person or People Responsible of the Data, purpose or aims and protocol for the exercises of the ARCO rights are explicit.

2. USAGE PURPOSE OR PURPOSES

2.1. The personal character data, collected in this Website, will be used with the purpose of attending and managing:

- a) Enrolment processes and/or (in order to do an items purchase).
- b) Information Requests.
- c) Do administrative tasks.
- d) With general character, for the contact data, the advertisements, commercial and promotions.

2.2. This acceptance will always have revocable character (opposition to the treatment purpose). The Website and Data Person Responsible will be able to put mechanisms, as simple and free as possible, to that effect, in his/her communications (emails or newsletters).

2.3. Transferring Data to Third Parties

Determine that by fulfilling the disposed forms in this website and proceeding to accept the privacy policy and by clicking "send", the consumer is agreeing to his/her data treatment, according to the point 2.1, as well as the transferring data (contact/email) to third parties (participating or collaborator societies) with which **ALL SPORT EUROPE S.L.** has collaboration, promotions or commercial agreements.

3. CONFIDENTIALITY

The Website and Data Person Responsible guarantees that the confidentiality and safety of these personal character data when they are object of treatment, in the way that it has implemented some politics for the treatment and safety measures (technical and organisational) according to the disposed in the article 9 LOPD. The policies for the treatment and security measures implemented by the Person Responsible and the Website Owner are oriented to avoid not authorised alteration, loss, treatment or use of your personal character data.

It is guaranteed the confidentiality of the data referred to the customers' consults or registration processes, both by the File Person Responsible and those entities which take part in the agreement with the purpose and aim of it. If the customer does not consent the usage of his/her data, his/her consults and or requests will not be carried out, therefore, the use of the customer's data will be determined to the purpose or purposes derived from the consult/request and other explicit ones in this present website.

With the personal data capture it is intended only to enable the fluency and agility in the relations/communications between the File Person Responsible and his/her clients/web users, as well as the request or form of it.

4. ARCH RIGHTS EXERCISE (ACCESS, RECTIFICATION, CANCELLATION AND OPPOSITION)

The customer will be able, at every moment, to exercise his/her ARCO rights (access, rectification, cancellation and opposition) recognised in the aforementioned Law, making the pertinent communication by means of a writing or email communication: throughout the following email address contacto@streetprorunning.com

4.1. Interlocution Unit ARCO: The Website Person Responsible (streetprorunning.com) has designated an Interlocution Unit ARCO for the customer or other third party that is integrated within the registered files by ALL SPORT EUROPE S.L. that can be related through this Website, with the aim of easing that exercise:

Procedure: Sending a postal letter, attaching a copy of the ID card, to the referenced address to the ARCO rights attention, settled in [Polígono Industrial Oeste, Calle Venezuela, Parcela 1-17, 30820, Murcia, Spain](#). As alternative method you will be able to send that information by email to contacto@streetprorunning.com scanning your ID, attaching it as attachments to the mail.

In order to exercise your right of opposition to your data treatment with commercial purposes, it is enough to send an email to contacto@streetprorunning.com determining on the subject "Unsubscribe" and the mail/email object of exercise.

*Please, if the relationship was established by email, provide the email by which you contacted us or subscribed in order to facilitate your request (use of this field as search criterion).

*With the aim of giving the maximum reach to the established by the Organic Law 15/1999 and facilitating the rights exercise, **ALL SPORT EUROPE S.L.** provide at your disposition an application form for that effect.

4.2. Policy to unsubscribe from newsletters associated with Web sites property of **ALL SPORT EUROPE S.L.**

1. By a process of subscribing or registering, you agree to the data treatment with advertising, commercial or informative purposes.

2. **ALL SPORT EUROPE S.L.** has different newsletters established and segmented regarding:

- The Website (into which the customer enters)
- The Items (which may be of interest to the customer)
- Customers Localization (country, district, etc.).

3. According to the established in the point 2, of this point, to agree to the “unsubscribing procedures” that can be used in each new newsletter and not in a joint way. Since a customer can be interested in one of the items and not in other ones, as well as having made different registering processes, depending on the website.

In addition, from a technical point of view, the newsletters management will be done in distinguished ways, according to the criteria referenced on the point 2 of this point.

4. In the case that the customer wants to proceed to unsubscribe from the set of newsletters by the website, you should send an email to soporte@streetprorunning.com making it clear on the subject “Unsubscribe from all the newsletters”.

5. The Cookies Usage and the Navigation Analysis of the Website

ALL SPORT EUROPE S.L worries about your data privacy and that is why we guarantee the best confidentiality field on your data treatment.

This Web Site has made a Cookies Policy to that effect. Remember that you will be able to refuse the data or information treatment, refusing the cookies usage by means of the suitable selection of your browser, however, you must know that if you does it, you may not use the website in its full functionality.

In order to enlarge this information, lead to Cookies Policy established in this Website (on the informative Pop-Up).

6. Responsibility Delimitation

The responsibility on the data treatment during the paperwork and the later usage of the data collected on this Website are the Owner’s or this website Responsible Person’s responsibility (determined within the Legal Warning).

7. IP Treatment

The Website servers will be able to automatically notice the IP address and the domain name, used by the customer. An IP address is an automatically assigned number to a computer when it is connected to the internet. All that information is registered on files of the server activity duly subscribed (called Customers and users) which allows the later processing of data with the purpose of obtaining statistic measures that allow to know the number of impressions, the number of visits to the web services, the order of visits and the access point, etc.

8. Security

8.1. The Website uses safety techniques of the information generally accepted in the industry, such as firewalls, access procedures and cryptographic mechanisms, all that with the aim of avoiding the not authorised access to the data by third parties. In order to achieve these objectives, the customer/user agrees that the provider obtains data for that effects of the corresponding authentication of the access controls.

8.2. It informs that the purchase process is made throughout payment gateways that guarantee a safe environment for the customer.
